

Stresa 105 Pouf/Coffee Table

Design Piero Lissoni

Technical Information

STRESA is the new living and dining collection in powder coated aluminium, designed by Piero Lissoni. A timelessly charming line, designed to easily fit into various contexts, both domestic and contract. The name recalls the timeless elegance of Stresa, the pearl of Lake Maggiore, with its period villas and perfectly preserved Art Nouveau architecture. STRESA is available in various outdoor furniture elements for a complete and coordinated proposal, ranging from living to dining, with a two or three-seater sofa, a rectangular table in two sizes, poufs and coffee tables, armchairs with armrests for dining and living.
