About

Extraordinary spaces. Unforgettable events.

At FORMS, every idea becomes an event experience.

Our versatile venues offer endless possibilities—from conferences to elegant banquets, private or business cocktail gatherings, unforgettable weddings, creative movie nights, and spectacular brand presentations.

Whether large or small, classic or unusual:

At FORMS, almost anything is possible. The combination of industrial style and high-end decor creates the perfect setting for events that will be remembered for years to come.

Exclusive Partner

For our food options, we work with select catering partners who are known for their quality, variety, and reliability. Alternatively, we can arrange for an external caterer at any time upon request.

Since 2025, we have also been partnered with Mövenpick Fine & Rare Wines through an exclusive partnership. This allows us to offer a high-quality selection of wines—ranging from established classics to rare finds. Wine tastings can be flexibly incorporated into a variety of event formats.

Technology

We work with experienced technical partners who deliver events reliably and to a high professional standard. This ensures that individual requirements are planned precisely and executed smoothly on-site.

The technical setup is tailored to the type, configuration, and size of the event and can be flexibly expanded. As the central point of contact, we coordinate all technical processes and ensure a structured, seamless experience throughout the entire event.

About

Location & Accessibility

The venue is located at Wolleraustrasse 31, 8807 Freienbach. Approximately 30 parking spaces are available on site, with additional parking areas available for rent if required.

Direct delivery to the hall and other event areas ensures a smooth setup and breakdown.

Good public transportation is available. The best options will be checked and recommended based on the event schedule.

Thanks to its location in an industrial area, both indoor and selected outdoor formats are possible – depending on event type, time and setup.

Service & Support

We support events from planning to execution and act as your central point of contact.

As needed, we coordinate technology, catering and external partners to ensure everything runs smoothly on site.
